

In July 2019, we had the pleasure to take part in the Ottawa Natsu Matsuri with our exhibition

The World of Japanese Ghosts

日本の幽霊の世界

Geneviève Dupont
(painter)

Régis Olry
(concept, texts)

We want to express our special thanks to the JETAA Ottawa and to the visitors of our exhibition. Their kind comments encouraged us to repeat this exciting experience in 2020.

This year, sanitary conditions unfortunately do not allow the Ottawa Natsu Matsuri to be held publicly. We therefore invite you to visit our website (gedupont.com) and to discover new ghost paintings: Hanako-san, Hyaku Monogatari, Hoichi the Earless, among others. Please leave your comments via our website!

Kitsune (狐, Fox)

Gaki (餓鬼, Hungry Ghost)

Ubume (産女)

Hoping to meet you in person again in summer 2021!
As you can see below, our next exhibition is already in progress!
We are presently both working on Noppera-bō.
